

KIP 7170

Ultimate - Multi-Touch Performance

A new generation of wide format functionality

The productivity of the KIP 7170 system is designed to satisfy the most demanding needs of decentralized users and may also be expanded as a centralized network printer.

- CIS Scanning - with Real-Time Thresholding Technology
- Energy Star Qualified - Economical & Ecological
- Total Control of the Copy, Print & Scan Process
- Workgroup Walk-Up Simplicity

SMART MULTI-TOUCH CONTROLS

All system functions for the KIP 70 Series are performed through an integrated, 12" multi-touch tablet-like color display to copy, print and scan both color and B&W documents.

Multi-Function System

- Space saving integrated top stacking
- Color copies & print directly to inkjet
- Scan documents into a wide range of B&W and color files
- Print from and scan to cloud storage or integrated USB port
- Real-time previews for maximum quality

Production System with Stacking

- Direct prints to stack on top or rear
- Create color copies directly to inkjet printers
- Scan to a wide range of file formats
- Real-time copy and scan previews
- USB printing and scanning support
- On-screen copy, print & scan previews

Production System with Folding

- Precision document folding
- Operates at full print engine speed
- Ultra-quiet operation
- Online and offline folding
- Fully integrated with KIP software
- Compact footprint

Smart Multi-Touch Controls

- One touch access to system features in 12 languages
- Instantaneously responsive 12" color display
- Intuitive feature selection for easy operation

Space Saving Design

Comprehensive Software Apps

- Print management suite synergy
- Functional continuity across all KIP applications
- All available for free download from www.KIP.com

Integrated Production Systems

- Fully integrated folding & stacking
- Easy print set handling & distribution
