*The KIP 800 Series accelerates performance to
a new level for technical, graphic, and office document users.*

Simply Superior

Single Pass Black

The KIP 800 Series Single Pass black technology increases productivity 25% and offers market leading low cost of operation for monochrome imaging.

Vibrant Color

The KIP 800 Series Systems produce vibrant color images. All prints and copies generated by the KIP 800 Series are 100% waterproof and fully lightfast, meaning that they will not fade or exhibit color deterioration from exposure to light over extended periods when used for outdoor applications even in inclement weather.

Advanced Imaging Productivity

Operational Speed		Remarkable Value	Low Cost of Operation

25% Increase in Productivity	Vibrant Color Images	All KIP 800 Series	Low Cost of Ownership

KIP 800 SERIES

features designed for effortless operation

- Color and Black & White Print Production
- Integrated Folding, Finishing & Stacking Systems
- Automatic Roll Trimming
- Quick Switch Technology
- Integrated USB Port for External Drives
- Production at Remarkable Print & Scan Speeds
- Media Load Assist
- Extended Print Lengths for Maximum Productivity
- Automatic Image Calibration for Precise Color Output
- Technical Document and Display Graphic Creation
- Large Capacity Toner Cartridges for Continuous Print Runs and Productivity

System K Software

The KIP 800 Series increases productivity while simplifying the user experience with touch tablet navigation, diverse software suite with ribbon command bars and system standardized icons, along with cloud integration.

Large Capacity Toner

Each CMYK cartridge contains 1,000 gsm of toner for a total capacity of 4,000 gsm - allowing longer uninterrupted color and black & white print runs for continuous system productivity.

Production Printing

The KIP 800 Series print systems offer superb resolution at remarkable print speeds of up to 3,600 square feet or 2,880 square feet in color.

Low Cost of Operation

The KIP 800 Series color and black & white LED production printing systems are based on a unique design that lowers the operational costs.

Quick Switch Technology

The KIP 800 Series print technology eliminates roll switching delays for increased productivity. Two or 4 media rolls and a sheet feeder deliver mixed print sizes at full production speed.
Extended Print Lengths

The KIP 800 Series handles long print images on a variety of media types from either of its 2 or 4 integrated roll decks for maximum productivity and operator efficiency.

Media Load Assist

An ergonomic roll cap system simplifies the process of loading the 3,000 or 6,000 square foot media capacity.

Single Pass Black

KIP 800 Series single pass black delivers a 25% increase in productivity. An exclusive single belt drive system performs automatic calibrations for precise imaging and bold, expressive color output.
